

I respectfully urge the members of the FCC to reject the Natialonal Association of Broadcasters petition 04-160. This petition is a blatant attempt to control what me and other consumers are permitted to hear. It is unfair to allow them to dictate where we choose to go to obtain the information we need. It will be a sad day if you accede to the NABs wishes to monopolize the airwaves. Thank you for you attention.

Sincerely yours,
Christopher Lemus
